 Defendant.)

This matter comes before the undersigned *sua sponte*. Other matters on the court's calendar necessitate a continuance of the evidentiary hearing on Defendant's motion to suppress, currently scheduled for September 23, 2016. The evidentiary hearing is hereby continued until **October 27, 2016**, and the parties are ordered to submit a joint hearing plan no later than **October 20, 2016**. The court finds that the ends of justice served by granting this continuance outweigh the best interests of the public and defendant in a speedy trial, and it is therefore ordered further that the period of delay necessitated by this continuance is excluded from the speedy trial computation pursuant to 18 U.S.C. § 3161(h)(7)(A).

The United States Attorney's Office is directed to make the necessary arrangements to ensure Defendant's appearance at the hearing.

So ordered, the 8th day of September 2016.

Robert B. Jones, Jr.
United States Magistrate Judge
